Autumn de Forest (2001-) is an American painter from Las Vegas, Nevada. The Discovery Channel referred to her as "an artistic genius" when she was eight years old. Members of the art community and other media outlets, such as the Huffington Post and Forbes, have referred to de Forest as a prodigy.

Her paintings have sold for a total of \$7 million

Autumn de Forest has been a professional artist for most of her life. After starting her art career at the age of six, De Forest has achieved a series of amazing accomplishments for an artist of any age, including holding multiple prestigious exhibitions and receiving an award from the Vatican. De Forest descends from a long lineage of American artists, but her talents are truly her own. Her greatest ability is the power to inspire those around her with her humorous and precociously articulate observations and insights into art, life, and creativity.
