PETER MAX "BROOKLYN BRIDGE I VER. I #185" (UNIQUE)

Registration No: 358652.0000

Appraised Value: \$85,000 US

Brooklyn Bridge I Ver. I #185

2016

16"x 22 1/2"

Mixed media painting on canvas. Hand-signed in pigment lower right by the artist. A unique work. All Peter Max Version I's are becoming highly coveted, especially this piece with its \$85,000 Appraised value.

Peter Max's "Brooklyn Bridge Ver. I #185" is an original acrylic painting on canvas, showcasing the iconic New York landmark in vibrant hues. This large piece, measuring 35 inches in length and 28 inches in height, is a striking representation of Americana style, featuring the famous places theme that Peter Max is celebrated for. The artwork is meticulously handcrafted, complete with a certificate of authenticity issued by PW Gallery, and is framed for immediate display. Crafted in 2016, this painting is a testament to Peter Max's enduring artistry, with the piece signed by the artist himself. It brings a touch of modern sophistication to any collection, reflecting the rich cultural heritage of New York, USA. The acrylic canvas, owing to its resilience, provides an ideal surface for Max's bold brushwork and vivid color scheme, making it a timeless acquisition for art enthusiasts.

No artist of our time has reached such a vast global audience and influenced so many others who paint and draw than the legendary Peter Max. On a level comparable to Andy Warhol, but appealing to a broader base of art lovers, Max is the celebrity painter par excellence, an inescapable presence on the cultural consciousness since he burst on the scene in the 1960s. His art is in the collections of more than a hundred museums, many of which have given him solo exhibitions, as well as United States embassies, corporate headquarters and prominent private collections.

An instant media sensation when he made his debut in the 1960s as the go-to artist for the leading rock bands in the heyday of the Woodstock era, Max's career became ever more public over the decades. At the invitation of the White House, he has made the portraits of six sitting United States presidents and scores of world leaders. He was named the official artist for the Grammys as well as the United States 2006 Winter Olympics team, the World Cup, the U.S. Open tennis championships, the Super Bowl and several music festivals, high-profile events that carried his signature style literally to billions of viewers.

Comes with COA and Appraisals

Peter Max (1937 -) is a German-born American Pop artist known for his distinctive psychedelic style that resonated with the countercultural movements of the 1960s and 70s. Max's art, filled with bright, acidic colors and kaleidoscopic compositions, reflected his interest in mysticism and space exploration and is often associated with the visual language of American pop culture. His subjects range from contemporary figures to scenes of the cosmos to American symbols, and his notable commissions have included official artwork for the Super Bowl and the World Cup. Despite controversies late in his career, Max's legacy endures, a technicolor testament to the power of art in shaping, and reflecting, the spirit of its time.
